ABOUT CCFS

Center for Campus
Fire Safety (CCFS) is a
non-profit, membership
based, organization
devoted to reducing the
loss of life from fire at
our nation's campuses.

CCFS is the voice of over
4000 campus fire & life
safety officials, and has
advocated for fire safety
at the nations institutions
of higher education for
over 20 years.

MISSION

To be the national leader
for improved fire and
life safety at all colleges
and universities by
providing resources and
educational programs
to the greater campus
community, and by
assessing and promoting
proposals for changes
in national model codes,
industry and reference
standards as they relate
to college and university
infrastructure.

To serve as a national
advocate and
information resource for
improved fire protection
and prevention to
the greater campus
community.

To provide educational
materials and training
programs that promote,
expand and strengthen
campus fire and life
safety.

To engage researchers,
staff, students, parents,
industry and the
community to work
toward more fire safe
and secure campuses.
